

2021 MTF Annual Meeting

2020 LaFontaine Golf Outing – Sept 17, 2020

The LaFontaine Golf Outing is named in honor of MTF Past President and Past Executive Director Gordon LaFontaine. The proceeds from the golf outing are distributed to the MTF Graduate Student Assistantship Fund. This MTFGSAF is invested by Merrill Lynch with planning purposes of supporting Graduate Assistantship to the MSU Turf Team on an annual basis. The MTFGSAF combines with the MSU Reike Fund to achieve this goal.

This event, typically held in June, was moved to September 17, 2020 due to Covid 19 restrictions that were in place during the summer. Once again, our host course for the 8th consecutive year was Coyote Preserve located in Fenton, Mi. The LaFontaine Golf Committee would like to thank all those who participated and provided sponsorships for the event.
